7:15- Crowning ceremony and dancing begins

8:00- Dessert served

8:45- Help your Buddy gather their things

9:00- All guests exit. Please see below.

Job Description

As a Buddy, your primary role is making sure the Participant has a good time and stays safe during the event. You will assist them while waiting for the doors to open, making sure they visit each station. Once inside, you will serve them dinner and stand nearby while they eat. After eating, you will clear their plate and get them out on the dance floor!

Crowning Ceremony

You will receive a bag when your Buddy takes their formal photo. In this bag, you will find a crown for your guest. At 7:15, a video from Tim Tebow will be shown. Please remove the crown and when Tim says so, you will crown your guest. You may wish to let them know what is about to happen.

General guidelines

- Until you are matched, please line the red carpet or wait in the quiet room.
- Pay close attention to your buddy's wristband. A silver band (14 of our guests) means they would prefer a sensory sensitive entrance. Please alert the red carpet team and they will be quiet or you may use the door at the end of the limo line. A blue band indicates that they are comfortable with any entrance.
- Participants should not be outside for any reason.
- Buddies should not be seated during dinner. Seats are for Participants only.
- Buddies should not hang out in the medical or relaxation rooms.

- Please read your Buddy's nametag. Pay special attention if they have food related special requests. If they have a food request, please stay to the right when picking up food.
- This year, there are several alternative activities going on. You may take your guest to the photobooth areas, karaoke or the Mets jersey design station during the dance.
- You are not to ride in the limo unless your guest requires your assistance. Please wait for them at the limo station for them to return.
- After your guest has left, please return your name badge and join us for a post event dinner.
- During the event, we will have a volunteer nutrition station with light snacks and water bottles. These are for you only, please do not share with guests. Please only visit this if your guest is safe.
- Please leave all personal belongings in the car, we will not have a place for you to keep them.

Exits

- Please look at your guest's wristband.
 - An X means their ride is staying on site. Please take your guest to the room where hair/make up etc. took place.
 - A star sticker means they are riding home in a group. Please take your guest to the limo line area.
 - Nothing on their band means they are exiting by pick up. Please proceed to the front lobby registration.
- Stay with your guest until they are reunited with their caregiver.
