Job Description

There are bathrooms for Guests immediately inside to the right. As Guests (and likely their Buddies) come into the restroom, greet them and direct them to an open stall. Ensure the largest stall remains available for our Guests using mobility devices if possible. Some Guests may require assistance standing back up. As they come out, ensure their dresses/suits are in place, straighten flowers and direct them to hand washing stations. For any Guests requiring more care, retrieve someone from the medical room.

We have provided personal kits with tampons, pads, and wipes if anyone requests them. There will also be antiperspirant wipes and face wipes available.
