Job Description

Food service is responsible for feeding all 275 Guests and keeping the dance area free of any trash. New this year, we will be serving foods through food stations instead of a sit-down meal. The stations are: Pizza, Chicken Nuggets, Pasta, Snacks & Popcorn, and Dessert. Each serving station will have 4 volunteers, 1 plating items, 2 serving, and 1 crossing off stars on wristbands. If a Guest finishes all of their stars and still wants more, that is fine but try to encourage them to make this their last item this time. Beverages are unlimited.

Those assigned to clean up should sweep the dance area throughout the night and remove any trash. The Fenn Center staff will remove the garbage bags. Cleaning supplies will be available by the back restrooms for spills.

Food service volunteers are welcome to dress up or wear more comfortable attire. No jeans, please.
